Rehabilitation

Short-term inpatient therapy services and a full range of outpatient services are available at Fairmount Homes. Our professionally trained therapists work with physicians to implement a plan tailored to achieve each client's maximum potential and enable a return home. Our fully equipped therapy gym allows these services to be provided in comfort and safety.

FAIRMOUNT HOMES

Retirement Community

Fairmount Homes, a continuing care retirement community, provides the ideal environment for older adults ready to enjoy retirement. We offer Residential Living, Personal Care, Memory Support, Health Care and Rehabilitation on our beautifully located 50+ acre campus in rural West Earl Township, Lancaster County.

Founded in 1968, Fairmount Homes is a non-profit Christian community governed by a Board from the Weaverland Conference of the Old Order Mennonite church.

our mission
& core values

Fairmount Homes is a ministry with mature adults, providing high quality services, promoting wholeness and creative living consistent with Christ-centered Mennonite values.

"We have more friends here than we have ever known before."

companionship & community

Personal Care

Cozy one and two room suites promote autonomy and privacy. Supported by attentive staff, residents may receive assistance with medications and personal needs, while engaging in programs and activities of personal interest.

Health Care

Compassionate and expert 24-hour care and supervision, under the direction of a registered nurse, provides residents with high-quality medical services. Caregivers carefully attend to the physical, spiritual and social needs of each resident to foster dignity and self-esteem.

dignity & respect

"The staff treats residents as they would want to be treated."

Memory Support

Heartwood, our memory support center, offers a secure, home-like environment in a spacious yet quiet, comfortable atmosphere. Our goal is to nurture dignity and respect for every resident through personalized activities and group programs.
